# PROFESSIONAL DEVELOPMENT PLAN (PDP) REACH YOUR CAREER GOALS

Of the many exclusive career services available to you as a member, the BCS Professional Development Plan is a key tool you'll use again and again to stimulate and steer your career progression.

The PDP tool helps you take control of your own professional development by planning goals, recording activities and documenting your progress.

It takes just a minute to create your PDP account – and it's cloud-based for quick access on all your devices.

Make a start by setting just a couple of personal objectives. You'll soon find you're reaching your first milestone – and building a holistic view of your professional development journey in preparation for that next promotion or job opportunity.

Kick start your progression by visiting PDP today.
