

## BCS Photography and Filming Consent Form

BCS does not permit photographs, video or other images of young people to be taken without consent. If the child is under 16, consent must be obtained from a parent / guardian.

If the child is over 16, it's good practice to inform parents that photographs and/or videos of their child may be used if the child has given consent.

BCS will take appropriate steps to ensure images used are solely for the purpose for which they are intended. If you become aware that these images are being used inappropriately, please inform us immediately.
